The Pays des Collines Eco Museum, with its intergenerational game, are sure to delight parents and children alike...

The museum

Discover...

- Maison Louise: a former farm now presenting daily life in the countryside in 1800-1900s
- The Estaminet: a sweet, atmospheric bar serving Lahamaide beer and artisanal fruit juice
- The former rectory: now an exhibition space

Don't miss the museum's harvest fair the first Sunday of August.

The echo of time: an immersive game

First, choose your character. Now roll the dice... Follows a swirl of surprising experiences: like being a teacher, grinding coffee, playing games from yesteryear, building an insect hotel... as you would have, had you lived in the 1950s. A fantastic way to learn and make memories!
