Enjoy a fun day with friends or family at the Cerfontaine airfield: a leisure space dedicated to aeronautic sports and nature.

Located near the Eau d'Heure lakes, the airfield stretches over 60 hectares and proves perfect for first flights (plane, helicopter, micro light aircraft, (motor)glider...). The site also is home to the *Ecole de Parachutisme Sportif du Hainaut*, for those interested in a (solo, tandem or group) skydiving initiation. Be assured you will receive a strict, comprehensive training and coaching.

A 2 hectares zone has been designed to help visitors discover the local biodiversity. Ideal for nature lovers!

The information contained herein is provided as a guide only.

We recommend that you check with the local supplier before you leave.
