**Visit the Minne Brasserie in Bastogne to taste fantastic beers reflecting the Ardenne terroir.**

The Brasserie is located between Bastogne and Vaux-sur-Sûre, in the heart of the Ardenne region: the best place to design new brews!

## The brewery's masterpieces

The **Trouffette**, a typical beer from the Bastogne country, exists in lager, dark and amber and, depending on the season, *Belle d'Été* and *Givrée*. The **BPA** (Bastogne Pale Ale), a light IPA style lager made from spelt is the brewery's latest creation. These high fermentation beers are unfiltered and refermented in the bottle.

## Organic ingredients

The brewery was born of the friendship between an organic farmer and a brewer. Founded in 2008, it is nestled in an organic farm with access to fantastic ingredients

**Get a taste of the Belgian Ardenne through this range of high-quality beers.**
