The Brogne Abbey, a mere 20 km from Namur and Charleroi, was founded in the early 10th century. This stunning building has now been converted into a hotel, complete with a restaurant, an exhibition space and a centre promoting Belgian viticulture.

The Benedictine abbey was originally created in 919 by Gérard de Brogne. The actual building dates from 1743 and still has its 18th-century crypt.

Do have a look at **the abbey's agenda** to see the events organised throughout the year.

The Centre Vivant de la Vigne et du Vin Belge

Its aim?

- Promote Belgian wine, its history, the grape varieties used...
- Understand and present the work done in the vineyards in Belgium
- Organise tasting and events presenting the quality of the wine produced locally

A selection of wine is available for sale on site.
