Art, games and experiences for the whole family await along this 2.7 km nature hike along the Amblève.

This gentle walk is perfect to explore the Eastern Cantons. The little ones will, through workshops and sculptures (all designed by local artists), learn about the woodlands and who lives there.

Artistic and didactic

There are 11 installations, integrated to the landscape, to discover along the way... Here are a few favourites:

- the tree-phone
- the acoustic hut
- the remains of a 350-year-old tree turned into an artwork

Bonus

- Possibility to enjoy a guided tour with a forest ranger
- BBQ area by a wooden hut
- Stroller-friendly but not practical for wheelchairs

The information contained herein is provided as a guide only.

We recommend that you check with the local supplier before you leave.
