The Owl Distillery makes the sole whisky 100% made in Belgium. Come and taste "The Belgian Owl", a Single Malt Whisky produced in Hesbaye.

The best whisky in the world is Belgian

The Owl Distillery is proud to present the first **whisky entirely made in Belgium**. "The Belgian Owl", made from sustainable barley grown exclusively in Hesbaye, has been named **best whisky in Europe**.

Etienne Bouillon, master blender, and his team will present their creation through a guided tour taking you from the fields where the barley is cultivated to the tasting room. Visits can be in French, Dutch or English.

Visitors with specific needs

The Owl Distillery is one of the many sites certified by [Access-i](#) (meaning with facilities or/activities adapted to travellers with specific needs). You will find more details on the website to plan your visit.

The information contained herein is provided as a guide only.

We recommend that you check with the local supplier before you leave.
