**The Meuse region, at the very heart of Wallonia, is sure to enchant you... Go with the (river) flow and discover its stunning landscapes, all the way from Hastière to Andenne.**

It's all about authenticity and a warm welcome so make sure you stop in our sweet little villages and towns. We will tell you fascinating stories about **our medieval Citadels, impressive castles and mysterious ruins**. Some of the most beautiful remnants of the history of Wallonia can be found here.

Many local personalities influenced its cultural heritage. **Adolphe Sax**, born in **Dinant**, invented the saxophone. **Félicien Rops**, an artist, illustrator and engraver from Namur, is particularly famous for his «Pornocratès» painting.

**Walk, relax, savour**

The region offers a fantastic range of walking, cycling and horse riding itineraries passing through meadows, forests, along rivers or roads. So many perfect excuses to forget everything and just enjoy the countryside!

Alternatively, why not relax [on the water](#)? You could kayak down the Lesse, try your hand at paddle boarding, take a **cruise on the Meuse**, rent a small electric boat (no license required) and picnic on the river.

The Meuse region has a wide range of accommodation options, fit for small and long stays and any budget.

Foodies too will be delighted: try [Maison Leffe](#)'s extraordinary beer, [Wépion's tasty strawberries](#), Dinant's couque biscuit, Biétrumés, snails, cheese...

### **The Meuse: an adventure with every step.**
