Located at the edge of the border with Germany, Luxembourg and the Netherlands, the Eastern Cantons feature a wide variety of landscapes.

The north and the centre

Large farms and numerous castles define the landscape while the plateau of the Haute Fagnes, featuring the culminating point of Belgium (694 m), leaves quite an impression on visitors travelling through the centre of the region. There you will find the **Maison du Parc Naturel Hautes Fagnes - Eifel**.

The South

That part includes the **Robertville and Butgenbach lakes**, perfect locations for water sports and family days. Let's not forget the Our valley, considered the gem of the Eastern Cantons.

Lush nature in the region offers many opportunities for hikes, bike, mountain bike and horse riding outings. In winter, snow makes it very popular with skiers.

Visitors are warmly welcome whether in charming hotels, holiday villas, camping site or resorts.

Welcome to the Eastern Cantons!
