**Honey lover, fascinated by beekeeping and want to know more? The 12th edition of the Fête du Miel in Saint Léger, in September 2019, is sure to delight you.**

This fair also presents the central role of bees in our ecosystem. There will also be many opportunities to try terroir products, many using honey in their recipe: charcuterie, beer, drinks, pastries...

**Come and discover the many flavours of the Gaume region.**
