**Spend an afternoon at the Brasserie des Carrières in the province of Hainaut to taste a delicious Diôle beer: lager, dark, amber or fruity. Fantastic!**

On the market since 2012, the Diôle is available in several colours. A short brewing process has been chosen to make this beer, made from natural ingredients coming from the local terroir. No additive no spice here!

**The different varieties of beers are:**

- Lager: Diôle blonde - named **best Lager at Best Belgian Beer of Wallonia 2014**
- Amber: Diôle Ambrée
- Dark: Diôle brune
- Fruity: Diôle rouge
