Created in 1953, the Conserverie et Moutarderie Belge offers a wide range of products: mustards, sauces and even dishes.

These creations can be found in shops under 4 brands: La vache qui regarde passer les trains, Filou, Jefke and La Délicieuse.

The production is sold to distributors in over 30 countries outside Belgium (France, Germany, Australia...)

Discover 50 years of expertise... The visit starts with a presentation of the company then explains the different processes from receiving the mustard seeds to shipping the final products. The experience concludes on a tasting.

The information contained herein is provided as a guide only.

We recommend that you check with the local supplier before you leave.
