Mobic SA, located in Liège, is an innovating company specialised in timber frames.

Created 20 years ago, it offers its expertise to building sites in need of quality wooden structures. Mobic SA also focuses on respecting nature whenever possible and has a P.E.F.C certification guaranteeing sustainable forest management.

Visit'Entreprises

The tour will show you the whole process: from designing the structure to its delivery via the making of the timber frame. Visitors will have the chance to admire its unique automated line and learn about its machining procedures and finger jointing.

The information contained herein is provided as a guide only.

We recommend that you check with the local supplier before you leave.
