Munaut, with its orchard and apple press, was created in Virton (Gaume) beginning of the 20th century and remains family-managed.

Each generation in turn kept the tradition alive, growing old varieties of apples (no chemicals here!), pressing them to produce juice, cider, ratafia and apéritif.

Visit'Entreprise

The producer will guide you through the orchard and press, explaining everything there is to know about apples (from picking to bottling) and his trade. The visit concludes with a workshop and a delicious tasting.

The information contained herein is provided as a guide only.

We recommend that you check with the local supplier before you leave.
