This itinerary leads you to the route of savours through the boroughs of Bastogne, Bertogne and Sainte-Ode.

If the town of Bastogne and the surrounding area attract your attention for the many monuments and traces of the Second World War, it's also a region worth visiting for its other aspects. Your jaunts through the small picturesque villages of the Deux Ourthes and the Haute-Sûre Anlier Forest Nature Parks will bring you plenty of exquisite experiences and enriching encounters with producers who are proud of their region.
