Explore the gardens in Mélin, one of the prettiest villages in Wallonia.

A stunning village

Mélin, described as one of the most enchanting in Wallonia, is known for the Gorbortange stone, a calcareous rock used through centuries to give a play on light in architecture.

A stroll through the gardens

For the occasion, the locals will open the gate to their garden, carefully designed month after month... Some will feature local products, others will introduce you to sculptures. Cheerfulness all around!

The program

- "A magical garden" concert played 5 local cellists, led by Luc Tooten (Friday evening, fee)
- Chamber orchestra from the Jodoigne academy (Saturday)
- Choir (Saturday and Sunday)

This event takes place every 2 years.
