Quai10

**Quai 10, in Charleroi, is dedicated to interactive and animated pictures. The site brings together contemporary images, cinema and video games. The idea? Offer a space designed for a wide audience to exchange and reflect on visual effects.**

## Visit'Entreprise

The tour will first show you what the backstage of a digital cinema screening place looks like, explain the various projection techniques and how a cinema program is chosen. Participants then are transported in the universe of video games, where they will learn about their added value, as well as their cultural and educational approach.
