**Organised in partnership with the BPS22, Thuin's actual art trail reflects the city and its cultural heritage.**

This outdoor museum is free and accessible at all times. The pieces are designed throughout the city, its hanging gardens and woodlands at the edge of Thuin.

## Mind-wowing artists

The artists selected created specific designs for iconic locations: the belfry, remparts, Grand Bon Dieu forest, Quartier des bateliers..,

These varied interventions, some quite monumental, offer an emotional interpretation of presence and disappearance, public and private, tradition and folklore, memory, games and childhood.
