Riding a train, impossible? Dreams do come true at the P'tit train d'Houdeng. Sitting on your own electric or steam train, you can enjoy being the driver on a 1,600 m long network of tracks. Everyone is welcome to join, beginners, experts, children, adults, owner of a locomotive or not, enthusiasts or just curious minds.

Le P'tit Train d'Houdeng is open the first Sunday of every month. There are 3 loops of 500 m each to enjoy. The volunteer association aims at promoting and valorising model railways (electric, steam or combustion trains) as well as friendship, cheerfulness, respect of each other and of the environment.
