Doc'Riders, an event organised Médecins du Monde is a 200 km cycling challenge through Wallonia. It's more than just a sport gathering: it is also a human adventure, raising money to support people in need all over the world. The race starts and finishes in Marche-en-Famenne. The next event will take place in September 2019.

More than just a sport challenge

Get a team of 3 or 4 together and get on your bike. The 200 km itinerary is to be cycled within 24 hours. No need to have a mountain bike, a simple one will be enough.

Participants will find 7 control points along the route to fill their water bottle, snack, rest and fix their bike if needed.

Changing the world

Each team is to raise 1,500 € in donations before joining the starting line. The money will help Médecin du Monde's actions all around the world.
