**This cycling itinerary starts at the Gare des Guillemins de Liège, a stunning building designed by Santiago Calatrava. The trail will then take you to the charming Ourthe valley. On the program: nature and fresh air!**

This route can be walked or cycled (bike or mountain bike).

This RAVel will take visitors through the Fiery City, along the confluence of the Meuse river, all the way to rocky massif, along former quarries and through the nature of the Ardenne.

From the Meuse river to the Ardenne

Cycle a few minutes along the Meuse river and you will soon be on your way to the Ourthe Valley. Breathe in, relax - the countryside is ever so pretty and there is no traffic on the Ourthe Ravel. Constant amazement guaranteed.
