Visit a unique, organic fish farm in Belgium and discover how trouts and Atlantic salmons are grown. This impressive estate in Libramont-Chevigny has no less than 30 ponds.

Your visit

- Sole organic fish farm in Belgium
- Please arrange your visit in advance. Francis Dupont created this fish farm in 1889. He will happily share his story, experience and explain how trouts evolve from one pond to another as they grow. Visitors can also see the incubation room.
- The fish farm has rainbow trouts, Atlantic salmons and crayfish. All are sold on site to individuals.
