**Catherine et Allain welcome guests warmly to their B&B, awarded 4 épis for its quality. This sweet haven, which they have renovated with love, is located in a peaceful, green neighbourhood on the heights of the city of Liège.**

### A focus on ecology

The owners have nature at heart and are doing their best to reduce their ecological footprint: solar panels, pellet-fired boiler, cork insulation in the house, heat recovery ventilation, natural material whenever possible. The shower gel and shampoo are organic, the bed linen washed without softener and dried naturally, the pillows sprayed with essential oils.
