The Hat rocks offer a stunning panorama of the Semois river and its meanders. A clearly marked path starting in Chiny will get you to this viewpoint.

A soothing walk in nature

Leave your car in the village and put on your hiking boots. A steep path will take you through the Hat woodlands from where you will see the famous rocks. As you get closer to these, the landscapes open, revealing the valley. A fantastic place to picnic, read or simply reflect on life.

Distance: 2 km loop

Should you wish to explore the Hat woodlands further - really pretty with its wild flora and streams, stop by the [Maison du Tourisme de Gaume](#) and ask for a map listing the walks.
