This loop will take you near the Château de Logne, in Condroz.

Cycle along the pretty path by the Lembrée vale.

Leaving the river, the itinerary reaches the ridges. Down you go and here is My, a pretty hamlet with houses built in limestone rock and a fortified farm.

Follow the rocky path towards Ferrières and its pretty square. Leaving its shade, the trail then goes further in the Condroz region.

Getting to a farm, the road narrows then gets towards the valley. In the distance, you can see the powerful Château de Logne.
