Art Public, celebrating its fourth edition this year, has chosen Liège for its incredible festival, placing temporary art works through cities. 18 artists have been handpicked and invited to create an urban space friendly art piece.

Take a stroll

Placed all around the fiery city, these art works offer a fantastic trail: the perfect excuse to rediscover the area and find new gems along the way.

Visits

The itinerary is to be enjoyed at your pace - all at once, little by little...

Groups can ask the historians of Art&Fact to take them on a guided tour of the installations.

The information contained herein is provided as a guide only.

We recommend that you check with the local supplier before you leave.
