The "Espace des Saveurs" in the "Maison de Tourisme" in the Pays de Herve is the ideal starting point for a stroll in this picturesque region, birthplace of the famous Herve cheese.

Set in the old Herve station, the Espace de Saveurs et Découvertes offers a multimedia show, followed by a tasting of local products. The perfect gourmet introduction to discovering the region.

Within a few minutes, Jean de Herve, truculent promoter of the terroir and the territory, will share with you the secrets of these landscapes and craftsmen who, day after day, bring the most authentic and traditional products to the table: apple and pear syrup, cider and, of course, Herve cheese.

Enjoy the mind wowing flavours of the Plateaux of Herve, Aubel, Pays des 3 Frontières, without moderation.
