**This lovely hike will take you through exceptional moorlands. To do so, you will take picturesque wooden paths, placed over the peaty landscapes to protect the nature reserve.**

- From the Signal de Botrange, walk toward the immensity of the high plateau, using the duckboards - which follow a medieval route through the Fagne, known as **Via Mansuerisca**
- You reach **Des Wez**, with a feeling of approaching world's end...
- You then return to your starting point, crossing the Fagne de la Pôleur, a witness of human activity centuries ago
- At the Fagne du Neûr Lowé, admire a landscape untouched in 10,000 years...

**Starting point:** Visitors' parking at the Signal de Botrange

**Distance:** 8.7 km

**Difficulty:** easy

**Markings:** blue rectangles with blueberries
