De Fer et De Feu, now celebrating its 17h edition, offers a real journey through time, all the way back to the Middle Ages.

This medieval camp (complete with tents, weapons, knights and armours), set in a green setting, offers a wonderful opportunity to meet with artisans, watch joust, artillery fire, archery, axe throwing demonstrations...

Life in medieval times

Stop by the various stalls and learn about the weapons used at the time, how rope, candles were made... there will be many opportunities to join in.

Blacksmiths will show you how to design knives and arrowheads. The Inquisition might very be there, asking the unfaithful tricky questions. Knights on horses will pass by you and knights will fight to get their loved one's attention...

A fantastic way to experience history.
