**Discover Viroinva in the province of Namur, South of the Entre-Sambre-et-Meuse region: a real paradise for hikers.**

The Tourist Office is open every day of the year and the team speaks both French and Dutch.

Have a look at the official website when planning your holiday. The "tourism" section offers daily updated information on what's on in the area.

The Tourist Office, on-site, offers a helpful selection of brochures in both languages: guides, guides for groups, leaflets and maps on Treignes, known as the village of museums, maps of the many walks and cycling trails around, information of the events taking place...

## You simply can't get bored in Viroinval

The region offers an amazing network of 38 signed walking trails (all loops), 300 km in total. The paths are maintained on a daily basis, the viewpoints kept clear, benches, picnic tables and BBQ areas have been to the itineraries, as well as stairs and bridges over the streams. Viroinval definitely is a hike-friendly area.

Love Nordic walking? There is a MC park with 15 different routes in the region.  
Mountain bike enthusiast? Make the most of the 100 km cycling routes between Belgium and France.
