**Love supporting local producers? Want tips on how to find them in Wallonia? Have a look at our partner's [website](#): ApaQ-W is the Walloon Agency for Quality Agriculture.**

## Apaq-W: a double mission

- Promote a positive image of agriculture in Wallonia
- Promote Walloon producers and production

To do so, ApaQ-W organises, together with the local producers and associations representing them, markets, fairs, campaigns to highlight the quality of their products and their know-how.

## #jecuisinelocal: cooking with local, seasonal products

ApaQ-W aims at reminding consumers that buying should be a responsible, sustainable act whenever possible. In favouring local producers, seasons, nature, we can all make a difference.
