**Why choose just one genre? The Bam! Festival will celebrate all types of art, culture and music. Philosophical cafés, concerts, visual performances... There will be something for everyone.**

The idea? Featuring colourful installations and trails to let the art carry you through the city. In other words, all paths will lead to creativity.

### At the very (he)art of the festival

Expect Ephemeral Art, Street Art, Comic Strips, Pop Art, Minimal Art, Happening Art, Abstract Art... but also **paintings, photos, engravings, mixed techniques, sculptures, installations.**

The city will make the most of public spaces, cultural buildings, shops, cellars, courtyards... to surprise and amaze visitors.

# A cultural shock – in the best way possible!
