This race is considered the biggest motorcycle competition organised in Belgium and marks the end of the racing season. The event attracts the biggest stars across all disciplines.

The Jules Tacheny Circuit will morph once again into a world motorcycling temple with skids and jumps in quick succession at a nail-biting pace over an ultra-fast track which alternates between tarmac and off-road. Non-stop thrills and spills are assured where the audience can get right up close to the action, including some truly breathtaking acrobatics by the planet's best stunt and freestyle riders.

Over 400 race riders are expected at Mettet this October across various levels: Junior, Open, Quads and two new categories – Senior and Electrics – plus the TM-riding Legends..
