**Ciney expo invites winemakers from all over the world to present their creations for the most delicious weekend.**

Here is a wonderful opportunity to wow your taste buds. For pleasure, of course (no need to be a certified oenologist to enjoy Bacchus' favourite drink) but also to fill your cellar with wonderful nectars. **Meet producers, taste, learn, enjoy...**

## The third edition

The fair goes further than presenting great but already well-known wines. Here you can discover new vineyards and surprising wines from all over the world. New pleasures ahead! A fantastic range of winemakers and terroir producers will join the event this year.

New: don't miss the fair dedicated to champagne capsules. One will even be edited especially for the occasion.
