**The Spa Six Hours event is a whole weekend of exceptional classic motor racing at the famous Spa-Francorchamps circuit. The programme features around 600 vehicles competing a variety of grids, culminating in the six hours endurance race that begins in the afternoon and finishes under darkness, with the hundred high beam headlights adding a surreal touch...**

Among the prestigious gems visitors can admire are:

- Ford GT40
- Jaguar Type E
- AC Cobra
- Chevron B8
- Brabham
- Lola T70
- Ferrari 250LM...

The Belgian Classic Car federation invites all spectators arriving in their own classic or sports car to join them in its own reserved parking area, creating an impressive display for all spectators to enjoy. Elsewhere, spectators are free to roam through the paddocks and garages to get really close to the legendary track cars.
