Press photographers invite you to revisit, through pictures, the events of importance of the past year.

If Namur's hot topics of course are central to the exhibition, some of the photographers will broaden the subject by presenting their view of what's happening in Belgian, whether on political, social, cultural or sport themes.

When choosing pictures, the composition, the techniques to be used, the students brought a new vision, sometimes unexpected, of the events and Namur's cultural heritage.
