This contemporary art biennial, supporting people with multiple sclerosis, will take place at the Espace Prémontrés, Liège.

The aim, aside from offering a quality exhibition, is to implement solidarity actions for people touched by this illness. 72 artists are invited to present their most recent work.

There will be 250 pieces - sculptures, engravings, drawings, paintings, art installations - will be on show and for sale.

MOBIL'ART confirms its vocation of contemporary art biennial through the choice of a place valorising the pieces, a qualified committee, a rigorous selection of artists and works, the addition of a colourful catalogue as well as an efficient website.

The eclectic selection of art, as well as the range of prices, guarantee its success.

Entry is free, catalogue featuring the artwork 5 Euros
