This international children's book fair, taking place in La Louvière, has been organised with and by children. That's right: they helped deigned the stories, illustrations, cover, promotion... A shared passion for texts and images.

The exhibition space, 200 m2 large, offers carefully designed decors, amazing books, etching workshops, guided tours, kamishibai readings...

The information contained herein is provided as a guide only.

We recommend that you check with the local supplier before you leave.
