The museum, located in the Stavelot Abbey's magnificent vaulted cellars, presents the prestigious history the Spa-Francorchamps racetrack, one of the most beautiful circuit in the world.

A selection of exceptional vehicles, unreleased videos and a collection of unexpected objects highlights the drivers' passion for this competition, from the pioneers to our modern stars. A large-scale model and Playstation 4 consoles make the track even more concrete for motor racing enthusiasts - for a little while you can enjoy being Fangio, Senna or Schumacher.
