This brewing festival is the perfect opportunity to discover little known Belgian beers, usually made in small batches. Come and join this fantastic tasting in Archennes.

This event aims at promoting a wide range of artisanal beers and explain how they get their fantastic flavours. ARCH'EN BIERES will present over 60 terroir inspired beers: ales, white, stouts, fruity... Please note the festival recommends responsible drinking: you can taste a wonderful palette of drinks just by wetting your lips and taste buds.

The next event will take place in 2021.
