**The Spa Classic continues to go from strength to strength. Offering a diverse selection of race cars and a unique car club display off it, the Spa Classic now attracts more than 30,000 visitors every year.**

The legendary Spar Francorchamps circuit offers spectacular views as the track winds its way around the forested Ardennes hills. Tickets allow visitor to walk the various pathways around the circuit, wander at leisure around the busy paddocks or relax in one of the grandstands overlooking the track. There is a laidback atmosphere that allow drivers, teams and the public to mingle among all the historic machinery.

### The grids

The different grids take to the track in turn, offering ever changing action around the circuit. Grids include:

- historic sports cars
- European touring cars
- classic formula single seaters

and a glimpse of more modern endurance racers, including the

popular Group C cars of the 80s. There is definitely something for everyone on show across the weekend.

## A new grid

The Fifties' Legends, as its name implies, is aimed at cars from the 1950s and the very beginning of the 60s. The grid pays homage to the World Championship for Makes that was introduced in 1953 for sports cars and a bit later on for grand touring vehicles.

## And also...

- Vintage activities will be organised in the village
- Tribute to vintage cars
