Jean-Philippe Darcis, Belgian chocolate ambassador and pioneer of the macaron in Belgium, welcomes you in his chocolate museum in Verviers. There you will retrace the origins and history of this fantastic treat through a chocolate trail.

The Philippe Darcis chocolate museum offers the sweetest journey in the cacao world. This walk through time, from the Mayas to the first chocolate shops, via the French Revolution, is sure to fascinate you.

After enjoying the museum, audio guide in hand, the visitors can enjoy a chocolate tasting.

The Darcis chocolate factory also features a pastry academy.

The artist and his savoir-faire

Jean-Philippe Darcis was rewarded countless times for his talent for patisserie and chocolate by international competitions. Always on a quest for innovation, he is, since 20012, the proud winner of the International Belgian Chocolate Prize and was named Ambassador of Belgian chocolate for life.

There are now several Darcy boutiques through Belgium.

After this visit, you will feel like an expert in the art of chocolate!
