**The Voyage au coeur de l'Attert centre will help you discover the Attert Valley, its many marked paths, discovery trail and activities.**

The site can be found in the [Parc Naturel de la Vallée de l'Attert](#), which, being occupied several times through the wars, enjoys a fascinating mix of cultures.

### A fascinating centre

- Educational activities: geology, fossils, water, agriculture, nature...
- Discovery trail in a former posthouse (built in 1753) with 9 rooms, a movie, audio consoles (in 3 languages)
- Collections presenting the built heritage of the regions: the shape of doors, the colours of the facades, the architecture....
