Located east of Liège, this site is one of the four authentic coal mines left in Europe, all listed by UNESCO. Put your jacket and helmet on: the guided tour will take you through galleries 30 to 60 m underground!

A UNESCO site

Blegny-Mine, together with [Grand-Hornu](#) (Mons), [Bois-du-Luc](#) (La Louvière) and [Bois du Cazier](#) (Charleroi) has been recognized by UNESCO as an iconic witness of the industrial revolution in Belgium.

Your visit

- Visit of the mine, museum, temporary exhibitions
- Mini train ride
- [Discovery of the local biotope](#)

- Play areas for children

Practical information

- Minimum height: 1 m

Visitors with specific needs

Although Blegny Mine is not part of the sites certified by the official label [Access-i](#), the visit can be adapted to visitors with reduced mobility. Do contact the site in advance for details.

The information contained herein is provided as a guide only.

We recommend that you check with the local supplier before you leave.
