**Nestled in the bocage countryside, the village of Clermont-sur-Berwinne hides quite a few architectural gems, featuring a variety of genres and periods. No wonder it is considered one of the prettiest villages in Wallonia! Take a stroll through its pretty street and make the most of the RAVeL network: the area simply is enchanting.**

Surrounded by meadows and orchards, the village sits on a promontory and is dominated by its imposing church. Equally eye-catching are the slate roofs and iron weathervanes of the old houses, and its 19th-century town hall built of brick and stone.

## A journey through time

History lovers will love the [Remember Museum 39-44](#), which collections retrace the second world war. Near the village also is the **Château de Crawhez** and the castle-farm of *l'Aguesse*: from there you can enjoy a stroll along the former railway line 38, now part of the RAVeL network.

## Terroir delights

Just a few kilometres from Clermont-sur-Berwinne, in a former railway station, is the [Espace des Saveurs et Découvertes](#). This shop features an incredible range of local products... You will be amazed at how much the region has to offer!

## The unequalled Herve cheese

Such a treat! This fantastic cheese is perhaps the most famous product made in the region. Make sure to stop at the Fromagerie du Vieux Moulin, close to Clermont-sur-Berwinne, which has been preparing it for 3 generations. They may use modern tools but fear not, the recipe still hasn't changed much in centuries. Try it with a drizzle of one of [Aubel's artisanal syrups](#), which has been keeping the tradition alive for 5 generations. The apple and pear flavours simply are perfect.
