The Aquascope offers visitors quite fantastic adventures - from discovering the most beautiful pond in Wallonia to exploring tree tops...

The aim of this site is to bring together nature resource, tourism, nature awareness and protection:

- Discovery trail
- Observatories
- Wild plants garden
- Didactic apiary
- Large play area
- Brasserie with panoramic terrace
- BBQ area

A couple of storks

Live cameras give visitors a chance to observe these birds on the lake or in their nest without disturbing them. This site welcomes every year the only couple of white storks in Wallonia.

Wildlife at dawn

Jump on board an Indian canoe with a nature guide, right before the sun rises and enjoy a peaceful paddle on the lake. Morning mist, water sounds, reeds, birds in the softest light... Magical.

An extra-ordinary night

Looking for a fantastic lodging for two? The **romantic spheres**, by the lake, offer a unique way to reconnect with nature...
