Situated in the former Bonvoisin textile factory, the last existing proto-factory, this centre is interactive and dynamic. Acoustic and visual multimedia processes, immerse the visitor in a strange but entertaining atmosphere and then in the brilliant light of the Vesdre. Walking through the river, penetrating the Gileppe dam infrastructure, flying like a bird are part of the experience! Playful activities stimulate young and old alike bringing home the importance of water to our society.

Closed on 25 December and 1 January.

Possibility of opening on Mondays only for groups and by reservation.

Not accessible to persons with reduced mobility.

Self-guided tours

Visits for groups: reservation only

Possibility to integrate the visit of the House of Water into a complete program on the day.
