Sleepwood is one of the very low-energy hotels in Europe to be made of solid wood. This 3-star hotel in Eupen features 16 rooms decorated in a simple, sober style

The bedrooms

The hotel, with its 16 (single or double) bedrooms, can host up to 32 guests in the very heart of Eupen.

Facilities, services, performance have all been designed to be environment friendly et focus on well-being. Lights are equipped with economic light bulbs. You will find a bottle of water in your room, which reception will happily refill as often as you wish. WIFI is on low mode (a router can be used to magnify the signal if needs be).

Fine Food: the restaurant

The restaurant of the hotel can be found in the basement. Its menu finds inspiration is seasonal and regional products.

Meals can be served on the terrace, weather permitting.

Indulge in an ethical stay at the Sleepwood hotel in Eupen
