The Benedictine Saint-Jacques abbey was founded in 1015. The actual church, built between 1514 and 1538 is a fantastic example of Gothic flamboyant architecture. Its XVIth century stained windows, 14th-century stalls, and rich furniture make it an exceptional gem - worth a detour if you're visiting the region near Liège.

Visitors with specific needs

The Saint-Jacques abbey is one of the many sites certified by [Access-i](#) (meaning with facilities or/activities adapted to travellers with specific needs). You will find more details on the website to plan your visit.

The information contained herein is provided as a guide only.
