The Glass Museum, at the Bois du Cazier in Marcinelle, retraces five thousand years of art, history and technology.

The collections are presented from an innovative angle: a backwards chronology invites the visitor on a completely new voyage, from the present day to the origins of glass.

The Glass Museum workshop

Glass-blowing demonstrations with a blowtorch in the workshop.

Visitors with specific needs

Wallonia has created [an Access-i network presenting the facilities available at sites and attractions throughout the region](#). Please check the [detailed page for this location](#).
