Dinant Aventure, which overlooks the Lesse and Meuse valleys, offers thrilling adventures in a stunning natural setting.

A superb nature background

Dinant Aventure is a **former sandstone quarry turned into a**

leisure and adventure park. Located near the Lesse valley, its 18 hectares estate (mixing rocks and woodland) overlooks the Meuse valley, thus offering exceptional panoramas on the hills around Dinant. The very heart of the park is a natural **rocky amphitheatre**, where the most sensational activities take place. The site has been **listed NATURA 2000** for the variety of its fauna and flora.

A brand-new adventure playground

Dinant Aventure also offers quite **unique adventures and activities in Belgium:**

- an impressive bridge, 100 m long, 100 m above the Meuse
- the Via Vita, a climbing trail filled with challenges
- the XL swing- almost free-falling for the 60 m high platform, suspended on a rope which will create a sensational swing effect.

And of course, led by our bilingual monitors:

- Aerial trail and vertigo trail
- Abseiling, climbing, death rise
- caving
- equilibrium trail
- incentive trail and team building trail
- paintball and laser game

Families

- Special kids program (2h30, from the age of 8)
- Challenges (from 2h30 to 5 h, for teens between 10 and 14)
- All activities are coached by professionals
